

New

Nelson can now provide you with

SKILLS FOR LEARNING Foundation

Foundation gives students, even those with a limited knowledge of English, training and practice in techniques which will enable them to

- extract important information from written texts.
- profit from their reading.
- enjoy success in reading even the most complicated academic text.

Foundation is designed for all students preparing for higher education. Publication dates:

Foundation, plus Teacher's Book — August 1980
Development, plus Teacher's Book — January 1981
Further books in this series — 1981

For a free sample unit from Skills for Learning, Foundation please write to The ELT Dept., Thomas Nelson & Sons Ltd., Nelson House, Mayfield Road, Walton-on-Thames, Surrey KT12 5PL.
